

VETERINARY MEDICINE

Clinical Assistant/Associate/Professor in Radiology

If your desire is to be in academia, but you want the flexibility to personalize a position to fit your goals and lifestyle then Oklahoma State University may be exactly what you are looking for.

We are proposing a new look to academic appointments where you can **personalize** the position to suit you, your goals, your ambitions, your needs, rather than fit you into the standard academic assignment. If you are enthusiastic about excellence in clinical teaching and love consulting on cases, this is the position for you! Want to do clinical research-great, but not required.

You will have the opportunity to develop an innovative teaching program supported by an enthusiastic group of educational professionals in our Office of Curriculum and Educational Support

<https://vetmed.okstate.edu/about/oces.html>

Review of applicants will begin upon receipt and will continue until the position is filled. Applications including letter of intent with statement of professional goals, curriculum vitae, and three names of references and contact information should be submitted at <https://jobs.okstate.edu/>. For inquiries please contact: Dr. Julia Montgomery, Professor and Department Head, Veterinary Clinical Sciences at (405) 744-8469 or julia.b.montgomery@okstate.edu

Qualifications include a DVM or equivalent veterinary degree, residency training in veterinary radiology and certification by the American or European College of Veterinary Radiologists (A/ECVR). Candidates qualified to take the ACVR or ECVR certification examination are encouraged to apply. Eligibility for faculty licensure in Oklahoma is required.

This is a full-time position with an excellent benefits package, 4 weeks of vacation, start-up funding for research endeavors if desired, and a fully equipped office. Funding support for professional development is provided. The ability to do up to 4 weeks of consultation work outside our referral area is also included. Salary and professional rank will be commensurate with the candidate's qualifications and experience, including consideration of previous accomplishments towards future promotions.

Stillwater is a great place to live and was named one of the best small towns and friendliest college town in America. We are a university town situated between Oklahoma City and Tulsa with an easy 1-hour commute to either city. There are opportunities for cultural, sporting, entertainment, and recreational activities. Stillwater has outstanding public schools and is an excellent place to live. The city has been recognized by numerous organizations for providing a high quality of life (<http://stillwater.org/page/home/community>).

Oklahoma State University offers many benefits to its employees, including opportunity for childcare on campus, tuition waivers for dependent children of faculty, qualification for public service student loan forgiveness, free membership to the University's Wellness Facilities <https://wellness.okstate.edu/recreation/facilities/>, numerous cultural and sporting events, and mental health resources including onsite counseling to name a few.

If you are seeking a collegial and collaborative environment, Oklahoma State University College of Veterinary Medicine is the place to be!
