

Tenure-Track Assistant/Associate/Full Professor Small Animal Internal Medicine

It's time to re-imagine what a career in academia could be! Educating the next generation of veterinarians, job flexibility, freedom to create, a collegial and encouraging work environment, imagine that! You could have a career in academia that fits your goals and offers you flexibility and autonomy. We will work with you to personalize the position to fit your expertise, your goals, and your ambitions.

An endowed Chair position is available as part of this position. An infusion of funding to the CVM is enabling expansion, the purchase of new equipment, and a state-of-the-art, fully integrated minimally invasive surgical suite.

The internal medicine service is supported by a team of 1 board-certified small animal internal medicine specialist (DACVIM SAIM), 5 primary care DVMs, two board-certified small animal ECC specialists and support staff of skilled RVTs and nurse assistants. Review of applicants will begin upon receipt of applications and will continue until the positions are filled. Applications including letter of intent with statement of professional goals, curriculum vitae, and three names of references and contact information should be submitted at <https://jobs.okstate.edu>. For inquiries please contact: Dr. Julia Montgomery, Professor and Department Head, Veterinary Clinical Sciences at 405.744.8469 or julia.b.montgomery@okstate.edu

Qualifications include a DVM or equivalent veterinary degree, residency training in small animal internal medicine and certification by the American College of Veterinary Internal Medicine (ACVIM) or the European College of Veterinary Internal Medicine (ECVIM). Candidates qualified to take the ACVIM or ECVIM certification examination are encouraged to apply. Eligibility for faculty licensure in Oklahoma is required.

This is a full-time position with an excellent benefits package, 4 weeks of vacation, start-up funding for research endeavors, and a fully equipped office. Funding support for professional development is provided. The ability to do up to 4 weeks of consultation work outside our referral area is also included. Salary and professional rank will be commensurate with the candidate's qualifications and experience, including consideration of previous accomplishments towards future promotions.

Oklahoma State University offers many benefits to its employees, including opportunity for childcare on campus, tuition waivers for dependent children of faculty, qualification for public service student loan forgiveness, free membership to the University's Wellness Facilities <https://wellness.okstate.edu/recreation/facilities/>, numerous cultural and sporting events, and mental health resources including onsite counseling to name a few.

If you are seeking a collaborative environment, Oklahoma State University College of Veterinary Medicine is the place to be!
