

At Vets Now Specialist Referrals and Out of Hours, Glasgow, we have a very rare opening for a Diplomat (RCVS, ECVS or ACVS) or Residency trained Orthopaedic Surgeon to join us on a permanent basis. Applications from Advanced Practitioners with extensive experience working in a referral hospital will also be considered, and applicants who can provide occasional support in Soft Tissue would be beneficial.

Our referral clinicians in Orthopaedics and Soft Tissue Surgery work collaboratively with referral clinicians in Anaesthesia, Diagnostic Imaging, Emergency and Critical Care, Internal Medicine and Oncology, supported by experienced and dedicated nursing teams, to provide the best possible standard of care for our patients in our multidisciplinary hospital.

Join our specialist-led multi-disciplinary hospital

Vets Now Specialist Referrals and Out of Hours, Glasgow is a busy, private referral hospital and first opinion out-of-hours emergency provider in the heart of Glasgow city centre. At Vets Now, we lead the way in Emergency and Critical Care across Europe, and our commitment to excellence extends to all areas of the hospital. We are proud to have one of the largest ECC Diplomat teams in private referral practice within the U.K.

Vets Now are part of IVC Evidensia, Europe's leading veterinary care provider who have over 100 referral sites across their UK & Ireland network, and we are very proud to be opinion leaders in ECC within the group.

What makes us different?

We work hard to keep a small hospital feel in a large hospital setting. Collegiality and collaboration are key for us and our teams tell us they love the feel and support in the hospitals amongst colleagues. We truly believe that working together is working smarter and allows us to deliver the very best in patient, client and staff care.

We care about feedback. We listen to our all our clinicians and work with them to ensure we are looking out for their best interests. We also listen to our referring vets and clients to ensure we are providing the service they want and need. We have a Net promotor Score of 84 which is world class in terms of service provision, and we are constantly striving for excellence in all we do.

We also encourage further education at all levels and fully support our Clinicians delivering training within multiple settings both internally and externally to the wider IVC Evidensia network.
